

the  
**EXERCISE BOOK**  
range

the  
**PRINTSITE**  
printing for schools

**Your books. Your way.**

**Maximum choice - minimum hassle.**

**The Printsite is one of the fastest growing, most innovative suppliers of educational print in the UK. We work with Primary schools, Secondary schools, Colleges and Universities.**

With our EXERCISE BOOK range, you can order fully bespoke books at the same price as off the shelf alternatives – standard books are also available. We do the full range!

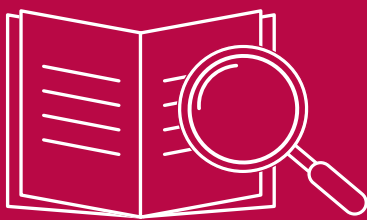

We offer a simple ordering process which enables you to build a specification, get a price and then order the EXACT books you want at competitive prices.

Plan your pages so that they work most effectively. You can have whatever you want, including:

- **Four styles of tramlines.**
- **Multiple line ruling widths.**
- **Blank half pages (top or bottom.)**
- **Blank alternate pages (left or right.)**

**We can produce any book in any specification for delivery in 10 to 15 working days.**

# How to get a price & place an order

## Tell us what you need

Work through the six stages in the following pages to see all the options available to you.

Choose what you want for each of your books and feed the information back to us using the Enquiry form on page 7 of this brochure (additional forms can be downloaded from our website.)

Alternatively, call and speak to us OR email your own paperwork.

## We send you a price

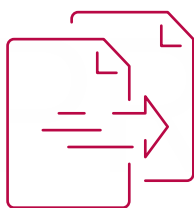

We will send you one estimate with ONE clear price which covers all of your requirements.

If anything needs changing, just let us know – we will amend the estimate and resend it QUICKLY.

## Place your order

Once happy with the specification, simply give us the go ahead and we begin production.

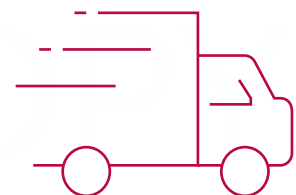

## Quick quotes

Most of our estimates are returned within the hour and many within five minutes.

## Cost effective

Prices competitive with off the shelf alternatives

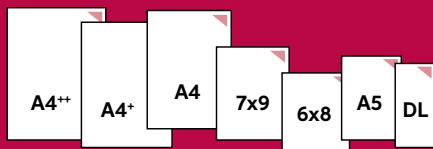

## Speedy delivery

Order week one - deliver week three, even for complex requirements.

# 1 Choose a size

Our standard range covers the seven most popular sizes used by schools. The smallest DL size is perfect for being carried in a pocket. We then go all the way up to A4++ size which is ideal for when you want to stick in full size A4 inserts without the need to trim them down first.

**DL** 99mm width  
210mm height

**A5** 148mm width  
210mm height

**6x8** 152mm width  
203mm height

**7x9** 178mm width  
229mm height

**A4** 210mm width  
297mm height

**A4+** 215mm width  
305mm height

**A4++** 230mm width  
315mm height

## LANDSCAPE BOOKS

We can produce most sizes in a landscape format.

# 2 Spec your cover

We use top quality cover board and our books are stapled three times on the spine (A4 and above) to ensure they are the strongest out there.

Our range of cover colours is the largest in the UK – 28 different shades.

## Things to decide on:

### Colour of cover

Choose a colour from one of the 28 shades shown below.

### Is cover printed?

Let us know if you want the outer covers printed and, if you do, whether you want to include subject titles. We can print the covers in black or full colour.

### Board thickness

Decide if you want our standard 300mu thickness board or the thicker 380mu (selected shades only).

### Lamination

Consider if you want the outer covers laminating in either a gloss or matt finish. This gives a really hardwearing and durable surface.

\* Colours available in thicker 380mu.

**P** These colours are quite dark and may not be suited to overprinting.

# 3 Choose rulings & spacings

We offer six main ranges covering lines, squares and four different versions of tramline. Each of these are available with a multitude of spacings and so the permutations are huge.

### We can print anything

If you cannot find what you need in this section, just advise EXACTLY what you do want and we will quote accordingly.

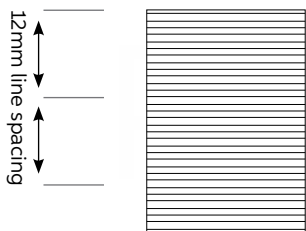

### Need something quickly?

We offer a limited range of tramline books ex stock –  delivery 2 to 3 working days. See website for details.

## LINES

### Spacing between lines

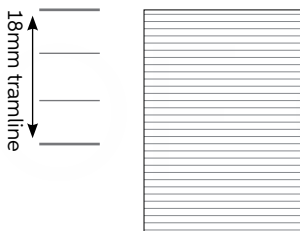

- 6mm • 8mm • 10mm
- 12mm • 15mm • 20mm

## BLACK tramlines

### Spacing between tramlines

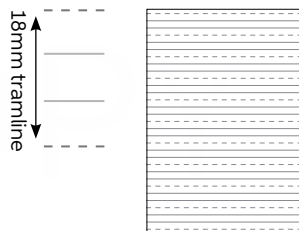

- 9mm • 12mm • 15mm
- 18mm • 21mm • 24mm
- 30mm • 36mm • 54mm

## DASHED tramlines

### Spacing between tramlines

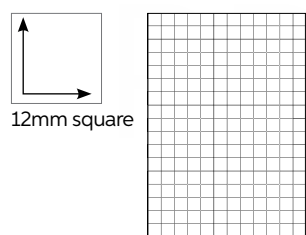

- 9mm • 12mm • 15mm
- 18mm • 21mm • 24mm
- 30mm • 36mm • 54mm

## SQUARES

### Size of squares

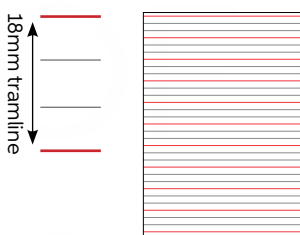

- 5mm • 7mm • 8mm • 10mm
- 12mm • 15mm • 20mm

## RED tramlines

### Spacing between tramlines

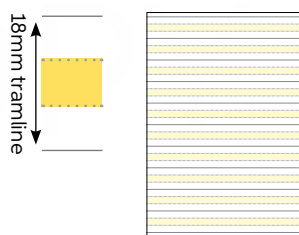

- 9mm • 12mm • 15mm
- 18mm • 21mm • 24mm
- 30mm • 36mm • 54mm

## YELLOW tramlines

### Spacing between tramlines

- 9mm • 12mm • 15mm
- 18mm • 21mm • 24mm
- 30mm • 36mm • 54mm

# 4 Consider having a margin

You can include a margin in any book. Our standard width is 25mm and is printed in grey but other options are available.

### Note

With "SQUARES" text page rulings, we position the margin on the nearest vertical line to 25mm. This avoids the margin having to divide a square.

25mm margin

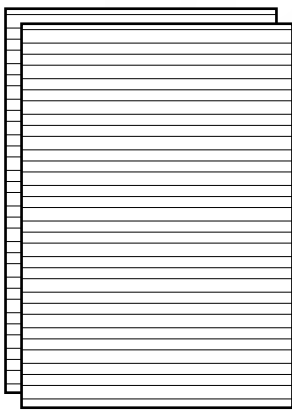

No margin

# 5 Choose what prints on each page

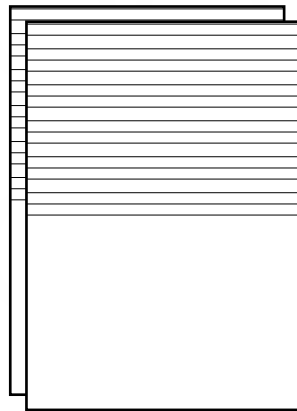

Once you have decided what you want printing on your text pages, we give you the option of choosing which part of each page is printed.

The left and right pages can be the same or different - provided the same ruling and line spacing is used throughout the book, you can decide exactly what goes where.

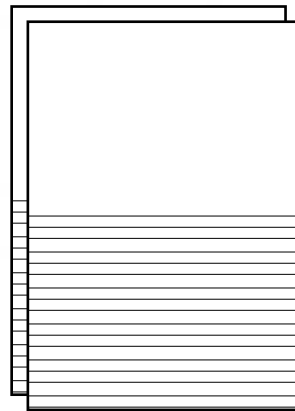

Choose an option from below for both the left AND right pages of your book.

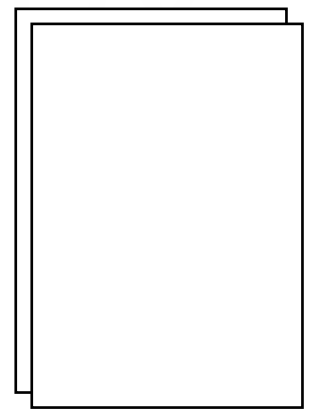

**FULL PAGE** printed

**TOP HALF** printed

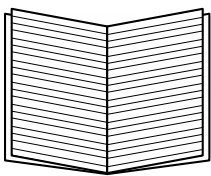

**BOTTOM HALF** printed

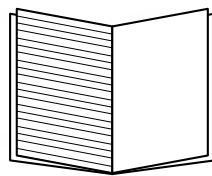

**NOT** printed

The left and right pages can be the same or different.

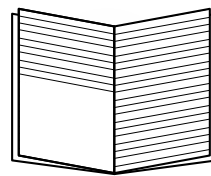

Some examples:

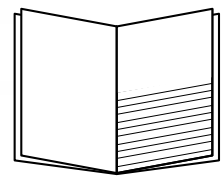

**Left page** FULL PAGE printed  
**Right page** FULL PAGE printed

**Left page** FULL PAGE printed  
**Right page** NOT printed

**Left page** TOP HALF printed  
**Right page** FULL PAGE printed

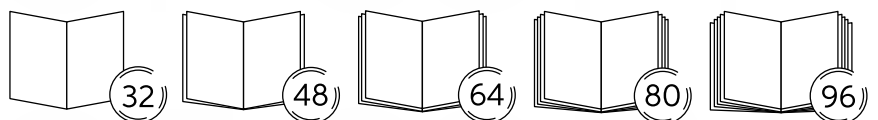

**Left page** NOT printed  
**Right page** BOTTOM HALF printed

# 6 Choose number of text pages

We offer five standard size text sections. These are: 32pp, 48pp, 64pp, 80pp and 96pp.

**Note**

A page (pp) is one "side" of a sheet of paper. So, for example, a 64pp book will give you 64 "sides" of paper to write on.

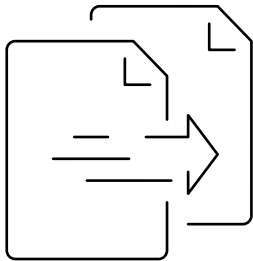

# Your life made easier

Great staff, expertly trained and with real knowledge of the exercise book market help ensure your life will be made easier when dealing with us. Here are some of the reasons why:

## One point of contact

You are allocated a dedicated account manager, so you get one to one communication with somebody who is in the know and will respond immediately to all your needs.

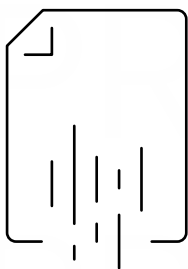

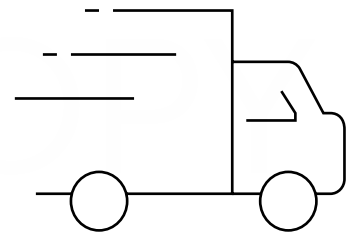

## Quick quotes

You will get quick responses to your price requests - most of our estimates are returned within the hour and many within five minutes.

## Speedy delivery

Order week one – deliver week three. All books are produced to order here in the UK and so we can offer extremely short lead times – even with complex requirements for multiple books.

## Invoice to school

We are happy to invoice to school provided you agree to pay to our standard payment terms (30 days net from end of month.) This speeds up the order process and minimises administration.

# How to get a price

Send us details of your requirements by one of the following methods:

- Fill out the Enquiry form on the page opposite and email it to us. (You can download further copies from our website.)
- Email us a breakdown of your requirements (using your own paperwork).
- Call and speak to us.

Once we receive your enquiry, we will send you back one clear price covering all of your needs.

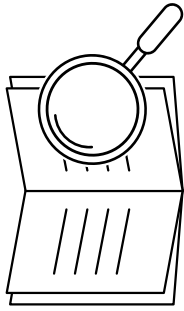

**Remember - most of our estimates are returned within the hour and many within five minutes.**
